In the absence of Correspondence Secretary **Jeanne Solensky**, David Lamdin, President, called the meeting to order and certified that about two dozen members of the Alumni Association were present which per the bylaws constituted a quorum to conduct business.

The reading of the notes of the November 16, 2022 Annual Meeting was waived and the notes were approved by unanimous vote.

In the absence of **Travis Brock Kennedy**, the new Membership Secretary, David Lamdin reported that we were revising the membership Form and that Travis was working on the Membership Renewal Notice which would be sent out in the next few weeks. The Membership numbers are:

2023 190 members

2022: 217 members

2021: 185 Households + 49 = 234 Total memberships

2020: 206 Households + 50 = 266 Total membership

2019: 177 Households + 57 = 234 Total membership

2018: 147 Households + 53 = 200 Total membership

John Martine, the Alumni Study Tour Director, *Emeritus*, reported that the Alumni trip to Lisbon which was originally scheduled for 2019 and postpone several times because of Covid was finally completed in March 2023. The trip raised \$12,000 in donations to the scholarship fund and there was an additional profit with the totals to be finalized before the end of the year. John reported that there was one accident on the trip and that 7 people contracted Covid at the end of the trip. **David Lamdin** reported that the announcement had gone out concerning the Alumni trip to Northern Italy. The trip from April 23 to April 29, 2024 will include day trips to Ravenna with the headquarters hotel located in Bologna and a day trip to Forli, IT with a guided tour of Peter Trippi's exhibit.

In the absence of **James Russiello**, Treasurer, David Lamdin reported that the 12/31/2022 Financial Statement had been distributed with the meeting notes. As of 9/30/2023 the Endowment Fund had a balance of \$201,380.

We have a CD for \$30,000 at 4% due 11/15/2023.

Checking Account as of 10/18/2023: \$7,645

Pittsburgh Account: Pending

In response to a question from **John Simonelli, John Martine** advised that the Pittsburgh account is the checking account he uses to deposit traveler payments and pay trip bills. The account details concerning income, disbursements, and balance is reported and included in the annual alumni financial report submitted to the VSA. He expects to have the final accounting for 2023 completed by the end of the year at which time he expects to transfer the balance in the account to the Alumni Treasurer. .

In the absence of **Jim Buttrick**, David Lamdin reported that the Finance Committee consisting of **Sibyl Groff, Bob Chapman, David Lamdin, and Jim Buttrick**, are meeting on November 7, 2023 to discuss the performance of our Endowment Fund and the performance of our Financial Advisors, eCIO, to determine a path forward with recommendations for the Alumni Board on any actions necessary.

David Lamdin, President of the Alumni Association reported we paid our \$100 Chapter Dues and contributed \$250 for a Zoom presentation for a Chicago recruitment event in January 2023.

We contributed \$24,000 for Student Scholarships to the 2023 Summer Schools.

We continued our sponsorship of receptions for the 2023 Summer Schools students and friends. We contributed \$500 for receptions in Chicago and \$500 for a reception in London. **Pauline Metcalf** graciously sponsored a reception for the Newport students at her summer home.

We purchased a \$30,000 CD coming due in November 2023 at over 4% interest to get some interest on the money in our non-interest-bearing checking account.

We joined with VSA national and responded to the call of the VSA NYC Chapter for assistance by donating \$100 for a live, in-person program presenting author Michael Kathrens' lecture on the luxury and splendor of Newport's nineteenth-century summer "cottages," in his most recent book, *Newport Cottages 1835-1890: The Summer Villas Before the Vanderbilt Era*.

We have been in contact with John Cooper, our alumni webmaster, to update our Membership Form on the website and to begin the transfer of information on the Alumni website to our page on the VSA website.

We published nine eNewsletters so far in 2023. These well received digital newsletters continue to provide an effective and inexpensive means of informing our members of items of interest to the Alumni.

Many members of the Alumni Association participated in, supported, and thoroughly enjoyed the excellent video lectures presented by the VSA in 2023.

At the 2021 Annual Meeting, a new Board of Directors was elected for the period 2022 through 2024. We will need to have new elections at next year's annual meeting. Any-one interested in serving on the Alumni Board or in helping with our administrative tasks should contact the Alumni President.

The Alumni Association expresses its deep appreciation to **Sara Durkacs** who resigned a Membership Secretary due to the pressing needs of her job. Sara's efforts over the past several years has been crucial to our success and survival. We wish Sara all good fortune in the years ahead. As Membership Secretary, *Emeritus*, Sara is helping in the training of **Travis Brock Kennedy** as the new Alumni Membership Secretary. Many thanks to Travis who brings his Organization Development skills to this task. Travis is also a member of the Alumni Board of Directors.

Last but far from least, our enduring and deep gratitude to **John Martine** who successfully led the Alumni Study Tour Program. After over 30 years of extraordinary effort and service to the Alumni Association as the volunteer director of the Alumni Study Tour Program probably raising approximately a quarter of a million dollars to fund Alumni Scholarships, John Martine (London 1979 and 2013, Newport 2007, and Chicago 2016 and 2019) has decided to step back from that role but will continue to serve the Alumni as the Study Tour Director, *Emeritus*, providing the Alumni with his expert advice and assistance on future trips. The Alumni Association has solicited interest about this position and has received several notices of interest. We will address this issue as soon as the planning for the Italy trip is concluded.

The Alumni Association very much appreciates the efforts of its officers and directors whose efforts enable the Alumni Association to be an entirely volunteer organization.

By unanimous vote, these reports were all accepted.

Sibyl Groff commented on the performance of our financial advisors, eCIO, and indicated that in a very tough investment environment, they have done a good job. She also commended David Lamdin for his efforts on behalf of the Alumni Association.

By unanimous vote, the meeting was adjourned.

The Alumni Association secured all the appropriate documentation from our prior webmaster, John Cooper, and reestablished the website under the supervision of James Russiello. Treasurer's Report

Jan 1, 2024-October 15, 2024

Submitted by **James Russiello**, Treasurer

As of October 5, 2024, the Alumni Association had the following balances:

Wells Fargo Checking Account:	\$89,563.03
Endowment Fund:	<u>\$250,588.00</u>
Total	\$340,151.03

See below for our audited financial report for the year ending **12/31/2023**. In 2024, the Alumni Association provided \$24,000 for student scholarships as well as paid our usual operating expenses. A detailed report for 2024 will be prepared and submitted to the VSA and to the Alumni membership in January 2025.

Endowment Finance Committee Chair Report (James Buttrick)

The Alumni Chapter raised \$217,008.50 for the Scholarship Endowment fund in 2021. The Alumni Finance Committee chose eCIO ["electronic Chief Investment Officer"] in Madison, WI to be the investment manager. They specialize in smaller non-profits, are cost-effective, and are easy to work with. An Investment Policy Statement was drafted and approved by the Alumni Chapter Board.

The initial asset allocation of the fund was 90% equities and 10% fixed income, reflecting the very low interest rates at the time and a poor outlook for bonds when rates eventually normalized. By early 2024 interest rates had risen substantially, and the declining bond market represented improved value. The Finance Committee and the investment advisor agreed that reducing the equity exposure to 70% and increasing that of fixed income to 30% would both increase the income from the account and decrease the account's volatility going forward. This change was effected in March 2024. Subsequently a contribution from the fund of \$2,500 was made to support summer school scholarships. At the end of the third quarter the balance of the account was \$251,447.

President's Report:

David Lamdin, President

The Alumni Assoc donated \$24,000 for scholarships to 2024 summer school students.

The Alumni Assoc supported a reception hosted by the UK Victorian Society for the 2024 London Summer school students and alumni in the area. On behalf of the Alumni Assoc, **Pauline Metcalf** hosted a reception at her summer home, Philmoney, for the Newport Summer School class and alumni in the area.

The Alumni trip to Northern Italy especially to view **Peter Trippi's** amazing, comprehensive exhibit on preRaphaelite artist was a great success except on the financial side. We had 14 travelers and just broke even on the trip.

There will be several changes in our Board, but we have a full slate of nominees for the next three-year term running from 1/1/2025 through 12/31/2027.

Many thanks to **James Russiello** who has done a tremendous job filling the void left by the resignations of our Membership Secretaries, working on updating our website, serving on the Endowment Fund Finance Committee as well as on our Board of Directors as Treasurer, and as our Social Media and Website Committees Chair.

A huge “thank you” to our Finance Committee (**James Buttrick, Sibyl Groff, Bob Chapman, James Russiello, and David Lamdin**) for the many, many hours lending their expertise to the establishment, review, and maintenance of the Alumni Endowment Fund.

Thanks also to all our current board members and a special thanks to those who are leaving the board on 12/31/2024: **Bob Chapman, Jeanne Solensky, Elizabeth Ann Milnarik, and William Cullum**.

Thanks to the chair of our Nominating Committee, **James Russiello**, and members **David Vespa, Joseph V. Svehlak, Sibyl Groff, and Charles Robertson, III** for their work. Many thanks to our current Board of Directors for their dedication, support, and guidance over the past three years, and thanks to those who will serve in that capacity from 1/1/2025 thru 12/31/2027.

And a special thanks to you for your membership in the Alumni Association and faithful support of our mission to support the VSA in its educational mission and to provide scholarship funds for students attending the summer schools.
